## QUARTER 2 REPORT 2015-2016

## 1. Introduction

This is the quarterly report to the Audit & Governance Committee detailing both the figures for the Ethical Indicators and the figures for the Local Determination of Complaints process for 2015/16.

For clarification purposes the months covered by the quarters are as follows:

Quarter 1 – 1 April to 30 June  
Quarter 2 – 1 July to 30 September  
Quarter 3 – 1 October to 31 December  
Quarter 4 – 1 January to 31 March

The report is split into 2 parts for ease of reference; Part 1 refers to the local determination of complaints, part 2 is the table showing the ethical indicators figures.

The report will enable the Audit & Governance Committee to build up a picture over time of how many complaints are received and where these are coming from. The parts of the Code of Conduct which have been breached will also be recorded to enable training to be targeted effectively.

## 2. Part 1 – Local Determination of Complaints

The Monitoring Officer received 4 complaints in Quarter 2 of 2015/2016. 3 of the complaints related to one District Councillor and 1 to a Parish Council.

### 2.1 Source of Complaint

The complaint against the Parish Council was received from a District Councillor. This complaint was resolved informally.

The complaints against the District Councillor were received from 2 members of the public and a member of staff.

These complaints are currently at the informal resolution stage.

### 2.2 Assessment Sub-committee Decisions

There have been 0 Assessment Sub-committee meetings in the quarter.

### 2.3 Timeliness of Decision

The Standards for England Guidance stated that the Assessment Sub-committee should complete its initial assessment of an allegation “within an average of 20 working days” to reach a decision on what should happen with the complaint. The Council has taken this standard and adapted it under the new rules to aim to hold an Assessment Sub-committee within 20 working days of notifying the parties that informal resolution is not possible.

## **2.4 Review Requests**

There have been no review requests this year. Review requests can only be made following a decision of 'No further Action' by the Assessment Sub-committee where there is submission of new evidence or information by the complainant.

## **2.5 Subsequent Referrals**

None to report – see above.

## **2.6 Outcome of Investigations**

There were no investigations concluded in this period.

## **2.7 Parts of the Code Breached**

This section is intended to show where there are patterns forming to enable the Audit & Governance Committee to determine where there needs to be further training for Councillors. Targeting training in this way makes it more sustainable and, hopefully, more effective.

So far this year, the following areas of the code were found to have been breached:

N/A
