#### 1.0 INTRODUCTION

1.1 The guidance given in the CIPFA Code of Practice for Internal Audit in Local Government in the United Kingdom 2006 is seen to be proper and best practice in relation to Internal Audit and defines the way in which Internal Audit should undertake its functions. The Code of Practice requires a risk based plan that is informed by the organisation's risk management, performance management and other assurance processes.

#### 2.0 INTERNAL AUDIT SECTION

2.1 Since April 2011, Internal Audit has been operating a shared service with Blaby District Council (BDC). All of the staff for the function are employed by NWLDC and the structure for the service is detailed below.

## 3.0 INTERNAL AUDIT PLAN

- 3.1 Internal Audit has produced a draft forward plan as attached as Appendix A. The plan details the proposed internal audit work to 2016/17. Each audit has been assigned a frequency for being carried out. Audits will be carried out every 1, 2, 3, or 4 years. This frequency has been based, where appropriate, on statutory requirements or in relation to risk. Risk will be assessed on the results of previous audits in that area and/or the impact on service delivery to customers and financial implications.
- 3.2 Based on past performance each audit has been assigned a number of days to be completed. This plan will enable the Internal Audit function and services within the council to better plan their work. It will also allow the Audit and Standards Committee to monitor the performance of the Internal Audit function.
- 3.3 A contingency has been built into the plan to allow for ad-hoc reviews which may be required or for additional work on planned audits to be completed. Allowance for follow-up reviews has been built into the plan.
- 3.4 It should be noted that this plan is flexible in order to accommodate the needs of the council, however, variances against the plan and any actions required in order to deliver the plan will be reported to the Audit and Governance Committee on a quarterly basis as part of a regular progress report.
- 3.5 The Revenues and Benefits Section has become a shared service with Hinckley Borough Council and Harborough District Council. The audit of the Council Tax, Non Domestic Rates and Housing Benefits systems will be undertaken by CW Audit Services.
