## **1. INTRODUCTION**

- 1.1 The District Council has power under Section 65 of the Local Government (Miscellaneous Provisions) Act 1976 to set fares for hackney carriages.
- 1.2 A review of the hackney carriage fare table is usually undertaken with representatives of the hackney carriage trade at a meeting of the Hackney Carriage and Private Hire Consultative Forum between January and March of each year.
- 1.3 This report is presented following the Hackney Carriage and Private Hire Consultative Forum meeting held on Wednesday, 23 February 2005.
- 1.4 The Council's current hackney carriage fare table is attached as Appendix A.
- 1.5 After discussion on the current hackney carriage table of fares, the Hackney Carriage and Private Hire Consultative Forum agreed that the Licensing Committee be asked to consider several variations to the hackney carriage fare table.
- 1.6 If the Committee approves the recommendations, officers will need to publish the proposed variations in a local newspaper, giving at least 14 days for objection. If objections are not received then the new fares will take effect on a date specified in the notice. However the local authority must consider any objections received and can either revise the fare table in the light of those objections or the fare table as originally proposed will come into effect on a new date, within 2 months of the original date.
