Date application received by Police	9 th November 2012

Please tick one or more of the licensing objectives that your representation relates to:

Prevention of crime and disorder	<input checked="" type="checkbox"/>
Public Safety	<input checked="" type="checkbox"/>
Prevention of public nuisance	<input checked="" type="checkbox"/>
Protection of children from harm	<input type="checkbox"/>

Please summarise your concerns about this application:

I write in my capacity as Licensing Officer for the Leicestershire Constabulary on the authority delegated to me by the Chief Constable Simon Cole.

Take notice that I am satisfied that allowing the premises to be used in accordance with the notice would undermine the Prevention of Crime and Disorder, Public Safety and Prevention of Public Nuisance objective.

It is the police view that granting these applications will add to the existing, late night, problems in the Town centre as the proposed late night selling of alcohol will cause revellers to drink more, drink for longer and linger in the area longer than they otherwise would.

These applications are closely linked to the closing times of clubs in the area. It is positioned directly opposite one club, where there are currently high incidents of crime and disorder, both within the club and surrounding area. The effect of the grill opening later will be to prevent any possible dispersal of clubbers. This will lead to the congregation of large crowds and as a result the potential for disorder will be greatly increased.

The large crowds will develop due to the small size of the premises and large numbers leaving the club at one time. This has happened in the past.

The effect on the local community will be great, as persons will not disperse and loiter in and around the club as well as the Ashby Grill. The noise and nuisance will have an adverse affect on those living in Market Street as well as those streets leading away from the premises after.

Public safety will be put at risk as innocent bystanders getting food, jostle in cramped conditions for food with potentially less tolerant, drunken clubbers. This environment is a breeding ground for trouble.

These premises are centrally located in the town at the heart of the area where the night time economy continues to result in a "hot spot" for crime and disorder as described in the attached report from Sergeant 531 Watson.

North West Leicester has adopted a Special Policy in relation to applications for new licences and material variations. The effect of this policy is set out in the Council's own policy document. It creates a rebuttable presumption against the grant of any further licences. Whilst this is not directly relevant it may be something that members may wish to have regard to.

The Ashby Grill is within the "saturation zone" identified in the Council's policy.

Inspector 915 Rixon
