Public Safety	<input checked="" type="checkbox"/>
Prevention of public nuisance	<input checked="" type="checkbox"/>
Protection of children from harm	<input type="checkbox"/>

Please summarise your concerns about this application:
I write in my capacity as Licensing Officer for the Leicestershire Constabulary on the authority delegated to me by the Chief Constable Simon Cole.
Take notice that I am satisfied that allowing the premises to be used in accordance with the notice would undermine the Prevention of Crime and Disorder, Public Safety and Prevention of Public Nuisance objective.

It is the police view that granting these applications will add to the existing, late night, problems in the Town centre as the proposed late night selling of alcohol will cause revellers to drink more, drink for longer and linger in the area longer than they otherwise would.

We do review all applications on their individual merits.

On the 30th September we objected to a Temporary Event Notice, which was subject to a licensing hearing, following an agreement with the applicant the Temporary Event Notice was permitted. The police supplied two extra officers and special constable; despite this 3 incidents were reported to police.

These incidents consisted of an assault, theft and a report of a collapsed male where the drinks may have been spiked. A further larger police presence was required due to the large numbers still inside until the premises closed.

The evidence provided will show a large number of incidents/crimes in CIROS since the granting of their extension this year.

Evidence shows that CIROS incidents represent a large proportion of all crime in the area of Market Street during the night time economy, currently the level of crime and disorder in Market Street is at an unacceptable level, generated both inside CIROS and from patrons outside.

Incidents such as serious assaults are committed both in CIROS and in nearby Market Street, and are committed during the late hours, when only customers of CIROS are likely to be involved. This is due to the fact that CIROS is generally closing much later than other public houses in Market Street.

Public nuisance is also caused to local residents when premises are open late. In addition to the normal nuisance which residents have to put up with at the weekend, there will be further disruption during the weekdays. This is unacceptable to local residents.

Public safety will be put at risk both inside the premises and outside. Inside the premises there have been incidents of assault due to the cramped conditions. This has hindered 1st aid and has not been historically well managed when incidents have occurred.

Longer drinking hours will result in persons drinking more and potentially being exposed to injury through intoxication. I refer to the cctv logs for examples of collapsed persons.

I believe in granting this Temporary Event Notice and given the evidence we have presented, we believe this would seriously undermine the Licensing Objectives and for this reason seek that the committee refuse the application.

These premises are centrally located in the town at the heart of the area where the night time economy continues to result in a "hot spot" for crime and disorder as described in the attached report from Sergeant 531 Watson.

North West Leicester has adopted a Special Policy in relation to applications for new licences and material variations. The effect of this policy is set out in the Council's own policy document. It creates a rebuttable presumption against the grant of any further licences. Whilst this is not directly relevant it may be something that members may wish to have regard to.

The VIP Rooms is within the "saturation zone" identified in the Council's policy.
