

**LICENSING SUB COMMITTEE – 17 JANUARY 2013**

**ADDITIONAL INFORMATION**

Please find below a representation that had been received from an interested party during the initial consultation and has now been finalised.

Dear Ms. Ridgway,

I am contacting you regarding the above application by Meadow Lane Post Office to apply for a licence to sell alcohol. I wish to strongly object to this as I live a few doors away from the Post Office and am already subjected to mountains of abusive drivers who park illegally outside my home and cause me a great deal of difficulties.

We have two existing supermarkets which provide a service to locals including alcohol sales and this in itself brings trouble to what is a residential area. Given that the Post Office wish to extend opening hours from 5 am to 11 pm I cannot see how this can be good for an area that already suffers from a significant amount of anti social behaviour linked to the sale of alcohol and lottery tickets through shops that have extended opening times.

At a time when the government are keen to try to control excessive amounts of drinking particularly by young people I do hope the NWLC Licensing Committee take on board comments from residents in the area of this proposed application. This application is not wanted or desired or needed.
