1. **BACKGROUND**

1.1 The premises currently operate as a Post Office and general convenience store.

1.2 A map showing the location of the premises is attached as Appendix 1.

1.3 An application for the grant of a premises licence was received from the applicant on 30 January 2013 via email and was accepted as an electronic application. A copy of the application is attached as Appendix 2.

1.4 The licensable activities applied for are detailed as follows:

   **Sale by retail of alcohol for consumption off the premises:**

   Monday to Sunday 05:00hrs until 23:00hrs

1.5 The applicant has specified steps they intend to take in order to promote the four licensing objectives:

   **General – All four licensing objectives:**

   - In the line with the government guidance the premises will manage the premises in line with all four of the licensing objective and all relevant legislation.

   **The prevention of crime and disorder:**

   - When the Designated Premises Supervisor is not at the premises another person shall be nominated by them to be the responsible person to manage the premises.

   - CCTV will be installed at the premises and recordings will be kept for 28 days and made available to the responsible authorities upon any reasonable request in writing.
Public Safety:

- The licence holder is aware of and will ensure compliance with the Regulatory Reform (Fire Safety Order) 2005.

The prevention of public nuisance:

- There are no issues relating to the prevention of public nuisance objective.

The protection of children from harm:

- Any person who looks or appears to be under the age of 21 shall be asked to provide ID to prove that they are over the age of 18.
- Only the UK photo driving licence, passport or government approved PASS cards will be accepted as proof of age.

1.6 Members will be aware that an identical application was submitted on 21 November 2012 and determined at a Licensing Sub Committee on 17 January 2013. Following a subsequent review of that decision a procedural irregularity was identified and a decision was made that it would be appropriate for a new application to be considered by a differently constituted Sub Committee.

1.7 Members are reminded that they must disregard the previous application and determination and consider this application only on the content of the Officers Report and attached Appendices and representations made to them at the Hearing.

2.0 REPRESENTATIONS

2.1 In respect of an application for the grant of a premises licence, the applicant is responsible for advertising the application by way of a notice in specified form at the premises for not less than 28 consecutive days and in a local newspaper. The applicant placed a notice in the Coalville Times on 8 February 2013 and officers have checked the premises and are satisfied that the correct notice has been displayed.

2.2 As the application was received electronically the Licensing Authority is required to serve a copy of the application on each of the responsible authorities, namely, the Police, Fire Authority, Trading Standards Department and the District Council’s Health and Safety and Environmental Protection teams along with the Primary Care Trust, the Council’s Planning Sections and the Licensing Authority. The Licensing Authority can confirm that all of the responsible authorities have been notified.

2.3 No representations have been received from any of the responsible authorities.

2.4 The applicant has agreed to various amendments to the conditions proposed by Leicestershire Trading Standards. The proposed conditions can be found at Appendix 3.

2.5 Any other person is able to make a representation within 28 days of the display of the notice of application to the Licensing Authority.

2.6 Forty one representations have been received on the grounds of crime and disorder, public safety, the prevention of public nuisance and the protection of children from
harm. Attached as Appendix 4. A breakdown of the representations can be made into the following subjects:

- Alcohol fuelled anti-social behaviour – 22 mentions
- Excess of premises supplying alcohol – 18 mentions
- Parking issues – 15 mentions
- Litter – 3 mentions
- Crime – 2 mentions
- More opportunities for under age drinking – 2 mentions
- Recent incident involving drunken male – 2 mentions
- Alcohol fuelled problems on local playing field – 1 mention
- Opening hours too long – 1 mention

2.7 A further 112 representations have been received in the form of a petition co-ordinated by Councillor Wyatt. Copies of the petition are attached as Appendix 5. The rear of the petition comprised an open letter to residents and included comments on the previous premises licence and the deliberations of the Licensing Sub Committee hearing held 17 January 2013 along with an invitation to complete the petition form. Members are reminded again that this is a new application and that the deliberations and decision of the previous Sub Committee are not relevant to this hearing. This application should only be considered on the basis of the information contained within the Officers Report and the representations made during the hearing.

2.8 A petition of 106 signatures in support of the application has also been received. A member has raised concerns that that petition may contain signatures of people who are aged under 18. In addition a number of the signatories consist only of a first name and a partial address.

2.9 The Licensing Act 2003 is silent as to how to deal with petitions either for or against an application and the Licensing Authority has determined that it will treat each petition in accordance with its adopted Petition Scheme. The petition scheme requires the name and address of each of the signatories must be on the petition. The Licensing Authority is of the view that those signatories should be disregarded when considering the petition.

2.10 Any signatory to the Petition that contains a full name and address has been considered as a valid representation and it is matter for Members to determine what weight, if any, they give to the representations contained within the petition either individually or as a whole.

2.11 The District Council does not have the facilities to check the age of the signatories to the petition and unless information to the contrary is forthcoming Members are advised to take the petition at face value attaching whatever weight they think appropriate to it. The petition can be found at Appendix 6.

3.0 STATUTORY GUIDANCE

3.1 In making its decision, the Sub Committee is obliged to have regard to Guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003. I, Vijay Odedra, wish to amend the following sections of the operating schedule of the above application as follows:

The Prevention of Crime and Disorder (amendment to item 2 of the application form)

2. CCTV shall be installed to specifications and locations agreed with the Leicestershire Police Crime Reduction Officer and maintained in accordance with the Information Commissioner’s Code of Practice. The CCTV shall record at all times premises are open for any licensable activity. All images held are retained for 28 days and are to be made available on request by any of the responsible authorities.

The Protection of Children from Harm

1. The age determination policy ‘Challenge 21’ shall be operated on the premises at all times. All those working at the premises, paid or otherwise, shall require identification from customers purchasing alcohol who appear to be under the age dictated by the chosen policy and who are unknown to the person serving as being over 18 years of age. Acceptable proof of age will include a valid UK passport, UK photographic driving licence or a ‘PASS’ accredited proof of age card. No other form of identification shall be accepted unless agreed with the Licensing Authority or Leicestershire Constabulary. If the customer is unable to provide valid identification, then no sale shall be made. If it is known or believed that a customer intends to purchase alcohol on behalf of a person under the age of 18, then that sale will be refused.

2. Training will be provided for all staff, whether paid or unpaid, before they are allowed to sell alcohol and will include Challenge 21, conflict management and refusals records. The training will be documented. The Premises Licence Holder or Designated Premises Supervisor will check that the training has been understood. The training will be repeated at least every 6 months. Records of training will be provided to Responsible Authorities and the Licensing Authority on request.

3. Materials regarding Challenge 21 shall be displayed at the premises to inform customers of the operation of the scheme.

4. The Premises Licence Holder shall operate and maintain an up-to-date record of refused sales of alcohol, indicating the date, time, reason for refusal and person...
refusing. This record shall be made available for inspection by any Responsible Authority and the Licensing Authority. The record will be reviewed at least once a month by the Designated Premises Supervisor or Premises Licence Holder. The person carrying out the review shall look for patterns and inconsistencies that may indicate that an individual is not following with the system or that additional support is required at certain times of the day. The reviewer shall sign and date the record once they have checked it and make a record of any action taken as a result.

or

If a premises has an Electronic Point of Sale system with a programme which will determine age-restricted products then upon scanning an age-restricted product, the sales assistant shall evidence the individual’s age by means of asking for identification. The system shall record all challenges made, which will be checked and monitored by the Designated Premise Supervisor monthly. The record shall be reviewed at least once a month by the Designated Premises Supervisor or premises licence holder. The person carrying out the review shall look for patterns and inconsistencies that may indicate that an individual is not complying with the system or that additional support is required at certain times of the day. The reviewer shall sign and date the record once checked and record any action taken as a result of the review. This information will be made available upon request to the Licensing Authority and any other Responsible Authority.

5. Signs shall be displayed inside and outside of the premises warning adults that it is an offence to buy alcohol on behalf of anyone under the age of 18.

Petition against sale of alcohol at Meadow Lane Post Office.

At the Meadow Lane Cross Roads there is already two establishments where alcohol is available 7 days a week at various times of the day. The Cross Roads already suffers daily with the problems of late night illegal parking at the junction and anti social behaviour problems relating to late night drinking in the local park. Due to these facts we strongly object to this application for a sale of alcohol licence at the Meadow Lane Post Office.

Absolutely no need for a 3rd alcohol-purveyor at these busy crossroads. The CoOp and Bargain Booze stores are sufficient (and already contribute to anti-social and illegal behaviour)

Application for Sale of alcohol at The Meadow Lane Post Office

Dear Catherine Ridgway,

I wish to object to the proposed application for an alcohol licence at the Meadow Lane Post Office. As you are aware there are already two stores selling alcohol at that junction and to have a third is totally out of order and unnecessary. We already suffer from late night drinking, litter and car parking problems as it is, especially on the Sharpley playing field and this would just make the situation much worse. When the new owners of the post office bought the business they must have known it had no alcohol licence so to apply now is only to compete with the other two stores. Speaking to local residents we are all of the same opinion that another store selling alcohol would encourage further anti-social behaviour in the local area and I urge the Council to refuse this application.

Yours Sincerely

Please accept this e.mail as our objection to the recent application for the sale of alcohol at the Meadow Lane Post Office.

As there are currently two stores selling alcohol, both of which are in close proximity to the Post Office, we cannot see any advantages in granting an alcohol licence to a third.

We are aware that there are already problems with illegal parking at the junction and also problems with anti social behaviour relating to alcohol and feel that a third store would only exacerbate these problems.

Yours sincerely
Christine and Deryck Barker

Dear Ms. Ridgway,

I am contacting you regarding the above application by Meadow Lane Post Office to apply for a licence to sell alcohol. I wish to strongly object to this as I live a few doors away from the Post Office and am already subjected to mountains of abusive drivers who park illegally outside my home and cause me a great deal of difficulties. We have two existing supermarkets which provide a service to locals and this in itself brings trouble to what is a residential area. Given that the Post Office wish to extend opening hours from 5am to 11pm I cannot see how this can be good for an area that already suffers from a significant amount of anti-social behaviour linked to the sale of alcohol and lottery tickets through shops that have extended opening times.

At a time when the government are keen to try to control excessive amounts of drinking particularly by young people I do hope the NWLC Licensing Committee take on board comments from residents in the area of this proposed application. This application is not wanted or desired or needed.

Madeleine Bonser

I wish my comments to go forward to the next hearing.

Thank you.

I would like to strongly object to the application regarding the Post Office selling alcohol. This is a ludicrous request we already have 2 outlets for alcohol selling which is 2 to many. All the anti social behaviour is caused by excessive drinking and this is supposed to be a residential area. Why would anyone in their right mind agree to such a request. Let's hope common sense prevails and this request in turned down. If anything the hours of selling should be reduced in the 2 existing outlets.

Petition against sale of alcohol at Meadow Lane Post Office.

At the Meadow Lane Cross Roads there is already two establishments where alcohol is available 7 days a week at various times of the day. The Cross Roads already suffers daily with the problems of late night illegal parking at the junction and anti social behaviour problems relating to late night drinking in the local park. Due to these facts we strongly object to this application for a sale of alcohol licence at the Meadow Lane Post Office.

**What are you making a representation about?**

Please indicate which part of the licence/certificate application you are making a representation about (i.e. Terminal hours, and music and dancing on Friday and Saturday night):

There are two existing shops selling alcohol (one a branch of **Bargain Booze**) within 200 yards of the Post Office and the addition of a third would contribute to alcohol related anti social behaviour.

Your representation must relate to one of the four Licensing Objectives:

Application for sale of alcohol.

The Meadow Lane Post Office recently submitted an application for the sale of alcohol during the hours of 05.00hrs to 23.00hrs. The application is to allow them to sell alcohol 7 days a week.

We would like to point out that there are already two establishments at the Meadow Lane junction selling alcohol, and a third will only add to the problems of late night parking and alcohol related trouble at the local parks.

If like me you object to this application then you must send in your objections to catherine.ridgway@nwleicestershire.gov.uk or you can sign the petition overleaf urging the Council to refuse this application.

TO PREVENT CRIME AND DISORDER.

1. CCTV in shops does not always guarantee that a criminal will be apprehended. Pictures are often grainy and headgear can conceal the face.

TO PREVENT PUBLIC NUISANCE.

1. It is difficult to comprehend how bad and rowdy behaviour will be controlled by the Post Office shop staff late at night. Both the Coop and Bargain Booze close before the time the Post office proposes to remain open which may suggest they do not want to invite trouble late at night.

2. There was a recent incident involving the police and paramedics on the ground outside 112 Meadow Lane when one man was paralytically drunk between 6.30pm and 7.00pm. Although not frequent, it is not unknown for people to sit on the wall by the stream and consume alcohol from cans and bottles. The spot is isolated and out of view from the main road. Such incidents could become more frequent with such early and late opening hours, especially in warmer weather.

2. Litter both in the streets and private gardens increased when both the Coop and Bargain Booze extended their hours into the evening. Additional problems of this nature will not be welcome due to yet another outlets and a further extension of opening hours.

GENERAL.

We object that the Licensing Act does not take into consideration the number of alcohol serving outlets and the position of the retail units in consideration with the road system. Both seem to be common sense objections.

When the government and the medial profession are concerned about the increasing amount of alcohol abuse and its cost to personal health and the nation’s purse, it seems unwise to permit yet another outlet which plans to operate for so many hours in the day. It hardly represents joined up thinking

Subject: STOP Application for sale of Alcohol

Dear Catherine,

As a resident and close neighbour to the post office on Meadow/Hall Lane junction I would like to register my strong objections to yet another shop being open from ridiculously early times til late at night with the purpose of selling alcohol. This would mean that all 3 shops would be selling alcohol til
10pm and beyond every night which is irresponsible and encouraging trouble when we already have to put up with youths hanging about til late.

We suffer this already outside both the Bargain Booze and Co-op in addition to frequent attempts to break in and the added nightmare of irresponsible dog owners tying their dogs up first thing (at weekends in particular) and allowing them to bark and howl in distress until they have finished their shopping!

It seems not only ridiculous, but irresponsible to have a 3rd outlet selling alcohol until late at night. The Bargain Booze and Co-operative already means that there is often large gatherings outside making noise and mess. To add a 3rd is neither sensible or rational in this residential area.

Few people use the Co-op car park so constantly park on the double yellow lines or directly outside my home when visiting the Post Office Co-op or Bargain Booze.

Please keep me notified of the final decision.

Kind Regards

Samantha Kelly

Meadow Lane Post Office
alcohol licence application.

Dear Catherine,

Please find enclosed an additional 809 signature petition to be added to the previous petition of 53 signatures. The petition calls upon the Council to object to the request to grant an alcohol licence to Meadow Lane Post Office for the duration of 5am – 11pm.

The main concern from many residents is the growing anti-social behaviour problems in the local area related to the purchase of alcohol from the local shops already able to sell such products. One area that has been plagued by many incidents of under-age drinking and anti-social behaviour is the local park. The Council and the local police have spent resources which could have been spent elsewhere instead of dealing with alcohol-related issues. We urge members of the Council to object to this application.

Yours,

Cllr Michael Lyall
Dear Resident,

The Meadow Lane Post Office recently submitted an application for the sale of alcohol during the hours of 05.00hrs to 23.00hrs. The application is to allow them to sell alcohol 7 days a week.

Many of you have already signed my petition against the application, and a number of you have also sent in objections which I am most grateful.

A few weeks ago the Council considered the application. Unfortunately the Labour and Tory Councillors sitting on the panel decided to allow the license, even though there was sufficient evidence and support from the local community to refuse this application.

One of the main reasons they gave for allowing the application was the failure by the local Police to send any representation. After the meeting I contacted the Police who informed me that they had NOT been consulted or asked for any representation on this issue.

Clearly due to this information coming to light I contacted the Chief Executive of the Council asking for a full investigation. The Council admitted that they had failed to follow the procedures set out when deciding if to grant a license. Due to the Council’s failure to make sure all agencies are consulted Officers have decided to hold another hearing to allow the application to be considered again.

I have made it clear to officers, and even the Councillor in charge of licensing that this situation must never be allowed to happen again. If I had not checked with the Police I am more than certain the decision would still stand.

If you have not yet signed the petition and would like to join my campaign to stop another establishment selling alcohol in the local area then please turn over-leaf.

If you wish to object you can send an email to catherine.ridgway@nwleicestershire.gov.uk

Many thanks

Michael Wyatt

Petition against sale of alcohol at Meadow Lane Post Office.

Lane Post Office.

For a sale of alcohol licence at the Meadow Lane Post Office, we strongly oppose due to these facts:
- Major traffic congestion at the local park. Problems relating to traffic, drinking and anti-social behaviour.
- The Meadow Lane is already an obvious lungs of the day. The Cross Roads already sees a large number of cars, the addition of alcohol sales is unacceptable.
- Problems relating to traffic, drinking and anti-social behaviour.
