NOTICE UNDER THE LOCAL AUTHORITIES (EXECUTIVE ARRANGEMENTS) (MEETINGS AND ACCESS TO INFORMATION) (ENGLAND) REGULATIONS 2012

The Chairman of the Corporate Scrutiny Committee having been informed in writing and being satisfied that 5 clear days will have elapsed before the meeting, I, Elizabeth Warhurst, Head of Legal and Commercial Services, have agreed that the following item is to be considered as a Key Decision under the general exception provisions of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

PROCUREMENT UPDATE ON TELEPHONY PROJECT

Report of the Strategic Director of Housing and Customer Services
Presented by the Housing, Property and Customer Services Portfolio Holder

The reason why compliance with Regulation 9 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 was impracticable is as follows:

The Procurement Update on Telephony Project, Cabinet 03/03/20 17:00 is a non-public item due to commercial sensitivity. The report concerns a live procurement exercise and asks members of the Cabinet to permit award to preferred supplier. The report is returning to cabinet as through the procurement processes the previous delegations need to be increased both in terms of overall contract value and length of award. Though the supplier is not explicitly named, the financial forecasts provided would be sufficient for other suppliers to determine the intended outcome, pre- award, and would reveal details of their commercial positioning.
