 - (b) “permitted price” is the price found by applying the formula—

$$P = D + (D \times V)$$

3. Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.
 4. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax.

Mandatory condition coming into force from 1st October 2014:

 - (d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;
 - (e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).
2. The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.
3. (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)

WE WORK CLOSELY WITH EVENT ORGANISERS TO ENSURE THEY PROMOTE THE FOUR OBJECTIVES WITH THE DILIGENCE WE DO OURSELVES. WE ENSURE THAT EVERY EVENT IS MORALLY SOUND AND HAS BEEN PLANNED TO BE SAFE AND COMPLIANT IN EVERY ASPECT.

b) The prevention of crime and disorder

LARGER SCALE EVENTS INCLUDE LEICESTERSHIRE POLICE AND PRIVATE SECURITY FIRMS AS PART OF THE PLANNING PROCESS AND IN SAG MEETINGS.

c) Public safety

WE ADHERE TO THE PURPLE GUIDE AND WORK CLOSELY WITH NWLDC, LEICESTERSHIRE POLICE, LEICESTERSHIRE FIRE SERVICE, EMAS, PRIVATE SECURITY COMPANIES AND ROAD TRAFFIC AND HIGHWAYS AGENCIES TO PROMOTE THIS.

d) The prevention of public nuisance

WE OPERATE A CHALLENGE 21 POLICY. OUR PRIVATE SECURITY COMPANIES, STEWARDING AND POLICING ENSURES THAT PUBLIC NUISANCE IS MINIMAL AND A ZERO TOLERANCE POLICY IS ADOPTED TO ANY INSTANCES OF NUISANCE.

e) The protection of children from harm

ALL CURRENT EVENTS ARE CHILD FRIENDLY. DBS CHECKS ARE CARRIED OUT FOR THOSE WORKING WITH CHILDREN. WE MONITOR EVENT CONTENT TO ENSURE NO ILLICIT, ILLEGAL OR IMMORAL ACTIVITIES TAKE PLACE.

In relation to the owners of Cattows Farm applying for permission to increase the numbers of people attending festivals from 4,999 to 9,999.

To prevent public nuisance	As far as I see it, to increase numbers would lead to an unwanted increase in traffic and noise in the surrounding area. Excessive noise late into the evening is unfair for others wishing to enjoy a peaceful summers evening. This would not be a one off event as Cattows hold several festivals over the summer months.

Your representation must relate to one of the four Licensing Objectives

Licensing Objective	<i>Please provide full details of your concerns regarding the application and include any evidence you may have in support of it. Please use separate sheets if necessary</i>
To prevent crime and disorder	In the past the quality of stewarding at events has been poor, a doubling of the numbers being inadequately managed by stewards could lead to an increase in crime and disorder at events and in the surrounding area.
Public safety	Highway safety concerns due to a doubling of traffic using Heather/Normanton Lane to access the events. This will lead to increased queues on the highway and mud being left on the road when conditions on the site are muddy.
To prevent public nuisance	Doubling the capacity for events will considerably increase the public nuisance experienced by the residents of Packington. The entrances to events at Cattows Farm are located on Heather/Normanton Lane, between the villages of Heather and Normanton le Heath. This means that traffic coming from the A42 has to travel through the adjacent village of Packington to access the event. This application will lead to at least a doubling of traffic passing through the village when events are being held at Cattows Farm. There are already considerable delays experienced along Heather/Normanton Lane when events are being held, due to the queueing traffic waiting to enter the site. When there is wet weather the roads become caked with mud from cars leaving the event site.

Licensing application- 18/00284/VRYPL
 Premises Licence Variation Cattows Farm, Normanton Lane, Heather, Leics, LE67 2TD
 Case Officer – Matthew Pickering

Dear Sir,

We are writing to object in the strongest terms to the above licence variation which is proposing to almost double the number of people allowed at events held at Cattows Farm.

Please find our objections listed below:

1. If this proposal is allowed it would lead to an unacceptable increase in traffic on the local roads on days of events held at Cattows Farm especially through Packington and Normanton Le Heath.
2. At the moment traffic for all present events at this venue use one entrance (the Normanton Le Heath side of the farm). This would mean an increase in traffic along the narrow and twisty lane from Packington to Heather which we consider would be dangerous to visiting cars/passengers and to local residents.
3. At present when there are events at the farm there are pedestrians walking along the road/lane from Packington to Heather and on the grass verges. There are no pavements on this road. Once again there is a safety issue if the number of people allowed at the venue doubles.
4. There is the risk that if the events become larger that the noise level/disturbance for neighbouring villages will increase too. The noise levels at present events are already a great disturbance to those living nearby. It would be unacceptable to increase the volume of music to match the proposed increase in audience numbers.
5. The local area around Cattows Farm is much too small to cope with 9,999 people alongside their vehicles.

For all the above reasons we hope that this licence variation will be refused.

Dear Sirs

Premises Licence Variation – Ref: 18/00284/VRYP

With reference to the above application to increase licensed event capacity from 4,999 to 9,999, we wish to place on record our objections for the following reasons:

- 1 There will inevitably be an increase in traffic through our village before, during and after such events.
- 2 Currently, events create litter along local roads and this is more than likely to increase. The question must be asked: who foots the bill for cleaning up?
- 3 Larger events will require larger sound systems – i.e. more noise pollution for the local area. Some events at Cattows can already be heard as far away as Packington and Ashby.
- 4 We presume there will be a proportional increase in drunkenness and urination in hedgerows.

We trust that these points will be taken into consideration when the application is considered.

Yours faithfully

ALAIN & JEAN SKELDING

Subject: Extension of Events Licence at Cattows Farm

Dear, Matthew,

I wish to register an objection to the proposal to double the capacity of events at Cattows Farm, Heather on the following grounds:

1 The road from Packington to Heather, running through Normanton le heath, has become very dangerous over last few years. Traffic flow through Normanton on events days is particularly difficult to cope with and the 30mph restrictions are largely ignored. A doubling of the showground capacity can only exacerbate what is already a serious problem. It must be remembered that the road cuts our village in half and residents must cross to access other parts of the village. Add to that the fact that there is a very active livery in the village and it is obvious that the potential for a serious, if not fatal, accident is greatly increased.

2 Many people already attend on foot. The roadway is narrow, has bends which reduce visibility, has no viable footpath- the grass verges are unwalkable, and has no lighting. Even at its present capacity there have been several near accidents involving cars and often fairly inebriated attendees leaving the site at night. Again, the increased capacity can only make a serious accident more likely. I believe that to allow a doubling of attendance would be a complete abdication of very real Health and Safety issues.

3 While access to the site using a vehicle is quite well managed, the late night departures by people without cars and using private or taxi pickups is already a problem often obstructing the narrow, unlit main road for considerable distances. Again I would cite Health and Safety issues in considering the potential doubling of this problem.

4 Noise concerns at the present attendance levels have NOT been properly addressed. Depending on the weather the sound stages and crowd responses can often be clearly heard over great distances. Last year there were some days when it was very obtrusive until late at night. Your environmental officer has assured us that he has tested sound levels in surrounding villages and that there is NOT a problem, but this assurance does little to satisfy those who actually live within hearing distance and have to experience the reality. There is a real worry that increasing the capacity will mean that amplification levels will increase, that there will have to be additional sound stages, and that the noise of the crowds will increase commensurately.

I trust that these views will be taken into consideration in deciding the outcome of this application.

Yours sincerely

Paul Bailey

RE: Application to increase licensable capacity from 4,999 to 9,999 at Cattows Farm, Heather

I would only wish to support this application subject to the improved handling of litter and rubbish left in the environment after these events at this venue. As a local resident who uses the road between Heather and Normanton several times per day I can confirm that:

1. Visitors to the event deposit a significant amount of litter close to the venue on local roads and hedges, in particular the Normanton to Heather Road. This is not removed effectively by the event organiser.
2. The venue itself is not cleaned quickly after events resulting in the wind spreading litter and debris to local roads, hedges and fields.
3. When the venue is cleaned this excludes effective off-site roads, verges and hedges. (There are still AA road cones in the verges today 6 months after the last event).
4. Locals live for several months dismayed by the excessive amount of litter in the community with no effort by the event organisers to return the local environment to its good state. The event site itself appears to be cleaned, although too slowly.

5. The litter poses health risks to domestic animals and wildlife, which is growing due the success of the new Queen Elizabeth Woods, directly across the road from this venue.
6. In an exceptional case, I personally drove over a flattened metal/rigid plastic container in the road which sliced through my pneumatic power steering pipes on my car at 5am in the morning taking my vehicle off the road for two days. I accept this is an unusual case but this can easily be avoided.

In summary, I am not against the increase in capacity as it can only help sustain a rural community by bringing in new trade and opportunities. However, event organisers or the council must ensure that the local roads and verges around the venue are promptly and effectively cleaned of rubbish and litter after each event. If this cannot be guaranteed then I would object to the increase in the proposed licence.
