RESOLVED THAT:

### **42. ITEMS FOR INCLUSION IN THE FUTURE WORK PROGRAMME**

A Member expressed frustration in the current work programme process as there were several items on the Cabinet's Executive Decision Notice that were not scheduled for Scrutiny to consider. There was also some disappointment that several upcoming items were omitted from the work programme. It was also suggested that when the Cabinet's Executive Decision Notice stated an item would not be considered by a Scrutiny Committee, there was also a valid reason provided.

The following items were requested for the work programme:

- Covid -19 and the Impact on the Community
- An anti-social behaviour update
- How the Development Corporation was affecting the Community
- Marlborough Centre

The Strategic Director assured Members that the upcoming items detailed in previous agendas were still being scoped and would be brought to a future meeting. He also confirmed that the Committee would be considering a report in relation to the Marlborough Centre but due to timescales it was possible that an additional committee meeting could be required. He thanked the Member for the suggested items, these would need to be scoped and discussed with the Chairman.

#### **43. COMMUNITY GRANTS - ANNUAL REPORT**

The Head of Community Services presented the report and the Portfolio Holder spoke in support.

A presentation was then given to Members and guest representatives from the Citizens Advice Bureau and Age UK were invited to address the Committee in relation to the service information within the report.

Members were pleased with the positive information shared with the committee and the work being undertaken by voluntary groups. Comments were made on the positive returns detailed within the report and it was hoped that this type of information was included in future reports along with calculations. A Member remarked on the digital exclusion concerns raised in the report and felt that joint working with Age UK would be beneficial moving forward.

Following a question from a Member, clarification was given on the community grant criteria in relation to religious groups, and a discussion followed on the applications made by these groups for religious events and activities.

The Chairman thanked the officers and guests for their attendance.

#### **44. SCRUTINY ANNUAL REPORT**

The Strategic Director presented the report.

Some Members expressed their disappointment in the virtual scrutiny training received and the low number of Members in attendance. It was also felt that the Scrutiny Cross Party Working Group had not yet achieved its objectives and therefore Members were against the recommendation within the report to disband the group.

A discussion was had on the work of the Scrutiny Cross Party Working Group, and it was felt that the following actions were yet to be completed:

- The introduction of a briefing for Members
- A clear plan for placing items onto the work programme
- A review of the scrutiny function in a years' time by the Cross Party Working Group, to evaluate how successful the changes had been.

The Chairman reminded Members that it was the responsibility of the Committees to move the scrutiny function forward and it was important for Members to lead the agendas. The Head of Legal and Commercial Services assured Members that proposals from the Cross Party Working Group would be reviewed and officers would discuss the points made at the meeting with both Scrutiny Chairs to compose a plan to move forward.

It was strongly agreed that the Scrutiny Cross Party Working Group should not be disbanded and following advice from the Head of Legal and Commercial Services, it was

decided to consider the two recommendations within the report separately so that individual votes could be taken to allow recommendation two to be voted down. An alternative proposal could then be put forward.

Recommendation one as set out in the report was put to the vote and by affirmation of the meeting it was

RESOLVED THAT:

The Annual report be noted ahead of its submission to Council at its meeting on 22 June 2021.

Recommendation two as set out in the report was put to the vote and by affirmation of the meeting it was LOST.

Councillor K Merrie moved the recommendation to Council that the Scrutiny Cross Party Working Group remain operational to assess the work of the scrutiny function at a future date to be determined as appropriate. It was seconded by Councillor J Geary.

RECOMMENDED THAT:

The Scrutiny Cross Party Working Group remain operational to assess the work of the scrutiny function at a future date to be determined as appropriate.

The meeting commenced at 6.30 pm

The Chairman closed the meeting at 7.57 pm

## DRAFT Notice of Executive Key Decisions

The attached notice lists the matters which are likely to be the subject of a key decision by the Council's executive and executive decision making bodies. This notice is produced in accordance with the Constitution adopted by North West Leicestershire District Council and will be published a minimum of 28 days before the date on which a key decision is to be made on behalf of the Council.

### Key Decisions

A key decision means a decision taken by the Cabinet, a committee of the Cabinet, an area or joint committee or an individual in connection with the discharge of a function which is the responsibility of the executive and which is likely:

- (a) to result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the area of the Council;
- (c) for the purposes of (a) and (b) above £100,000 shall be regarded as significant in terms of expenditure or savings, and any issue which, in the opinion of the Leader is likely to have an impact on people, shall be regarded as significant in terms of impact on communities.

### The Council's Executive

The Council's executive committee is the Cabinet. The Cabinet comprises:

Councillor R Blunt	-	Leader	Councillor A Woodman	-	Community Services
Councillor R Ashman	-	Deputy Leader and Planning & Infrastructure	Councillor N J Rushton	-	Corporate
Councillor T Gillard	-	Business and Regeneration	Councillor R D Bayliss	-	Housing, Property & Customer Services

### Confidential Items and Private Meetings of the Executive

Whilst the majority of the Cabinet's business at the meetings listed in this notice will be open to the public and media organisations to attend, there will inevitably be some business to be considered that contains, for example, confidential, commercially sensitive or personal information. This is a formal notice under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that part of the Cabinet meetings listed in this Forward Plan may be held in private because the agenda and reports for the meeting contain exempt information under Part 1 Schedule 12A to the Local Government Act (Access to Information) Act 1985 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it. Those Items where it is considered that they should be considered in private are identified on the Notice.

### Access to Agenda and Related Documents

Documents relating to the matters listed in this notice are available at least 5 clear working days prior to the date of decision as indicated below. Other documents relevant to the matters listed in this notice may be submitted to the decision maker.

If you wish to request or submit a document, or make representation in relation to any issue contained within this notice, please contact Democratic Services on telephone number 01530 454512 or by emailing [memberservices@nwleicestershire.gov.uk](mailto:memberservices@nwleicestershire.gov.uk)
