Your representation must relate to one of the four Licensing Objectives

Licensing Objective	Yes Or No	<i>Please detail the evidence supporting your representation. Or the reason for your representation. Please use separate sheets if necessary</i>
To prevent crime and disorder	Yes	We currently have antisocial behaviour issues being dealt with by the police and trading standards due to underage drinking, in the skate parks, Leicester road park, and behind the coop. We feel that this will be yet another outlet to try and monitor and also feel based on the number of takeaway/fast food outlets in the Ibstock Parish, this will set a precedent and before long if they all follow suit a large majority of the shops on the high street will be for alcohol sales of one route or another,
Public safety	Yes	Whilst general Health is an ongoing issue, this is encouraging people to consume alcohol. The take away is open from 5pm- 11pm 7 days a week we should be promoting a healthy option, not encouraging further outlets for alcohol sales.
To prevent public nuisance	Yes	Ibstock has an alcohol ban already in place, though it is accepted that it can be purchased from the off licence and supermarkets, it is felt that if it can be purchased at the point of sale with the takeaway, it will then be taken to the open spaces or onto the streets and consumed. There is already a considerable amount of litter indicating that the takeaways are often consumed alfresco.
To protect children from harm	yes	Whilst it cannot be proven there is concern that this may lead to additional littering, especially the danger of glass being broken on pavements, and play spaces, once consumed and discarded.

<p>Please suggest any conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. **</p>	<ul style="list-style-type: none"> - Alcohol sales to home delivery customers only, not on collection. - Age restricted sales - No promotional alcohol advertising, ie free pizza when buying 3 bottles wine, food should still be promoted independently of alcohol and the main retail category of the business. - No home delivery of just liquids, they must purchase food. (A minimum spend)
