1 BACKGROUND

- 1.1 The Council adopted its first Council Delivery Plan (CDP) in April 2005. Since then, the CDP has evolved annually to reflect the changing environment in which the Council is operating.
- 1.2 Previously, the CDP was used as evidence towards the Council's Comprehensive Area Assessment (CAA) inspection, and was a lengthy and highly detailed document of several volumes designed to meet the requirements of the Audit Commission inspection process. With the abolition of the Audit Commission, the National Indicator set and the CAA during 2010, the Council is able to determine locally how performance is reported.
- 1.3 Since 2011/12, the CDP format has been designed to suit our customers rather than our auditors. These plans provided an accessible overview of the Council's plans for the new financial year, including priority outcomes and high level actions. Detailed quarterly milestones and performance indicators were developed and included in an Appendix to the CDP. Performance against the detailed appendix is reported quarterly to Cabinet. The

- most recent CDPs have a strong customer focus, and several sections of the reports were included largely for the benefit of readers outside the Council.
- 1.4 The Council's priorities for 2014/15 remain the same as those for 2013/14 Business and Jobs, Homes and Communities, Green Footprints Challenge and Value for Money.
- 1.5 A number of frontline services, which matter most to customers, were agreed at Cabinet in the *General Fund Revenue Budget Draft Proposals 2014-15 and 2015-16* report of 24th September 2013. These are:
 - Waste Services
 - Housing Services
 - Leisure Centres
 - Revenues & Benefits
 - Planning Services
 - Environmental Health

2 PROPOSED COUNCIL DELIVERY PLAN 2014/15

- 2.1 The 2014/15 CDP is attached at Appendix 1 and follows the same format as plans from the past few years.
- 2.2 The Council's priorities and frontline services have been used to shape the content of the Council Delivery Plan, which also details key projects planned for each priority area.
- 2.3 The outcomes and actions listed in the Plan have a detailed set of quarterly milestones and indicators listed in Team Business Plans, and quarterly performance monitoring against these plans will continue as it does at present. These quarterly milestones and indicators are detailed in Appendix 2.
