Dear Sirs,

I register my objection to the application for the variation to the premises licence for Manhattans, 60 A Market St Ashby as per the public notice carried in the Ashby times on 26th January 2018.

This application to extend the operating hours to 3.30 am would have a further adverse impact on mine and neighbours residences and would add to what is currently experienced under the existing operating hours.

Music noise from these premises is currently not eliminated which gives rise to constant noise disturbance, during operating hours, to the surrounding residential area which will be further increased in duration if this application is approved.

I feel that this application, if approved, would cause a decline in the quality of the residential environment of Ashby town centre in particular South Street and Prior Park.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'M Royle'.
