We have a few concerns for the license for the halfway house soon to be a hotel with restaurant and bar.

1. Loud music playing into the early hours potentially 7 days a week.
2. Guests standing outside at the front and or back of the building smoking. The noise of people laughing and shouting late at night
3. Car parking, with guests at the hotel and visitors to the restaurant there won't be enough parking spaces at the hotel, causing more parking problems on Belvoir road with restricted parking. Also cars already parked and double parked on Burgess road , Stadium close and Harrison close.

The evidence you need for point 1 and 2 is that these problems happened when the Halfway House was a public house, but mainly after the smoking laws changed.
