13. 2019/20 QUARTER 2 PERFORMANCE REPORT

The Chief Executive presented the report to Members and referred to the replacement page 215 of the report as circulated at the meeting. She informed members that she was hoping to provide information on the Economic Indicators at the meeting but due to its link to the current EU Exit work being undertaken, she would circulate the information by the end of January.

Further to the survey for Parish Council's on their appetite for implementing Neighbourhood Plans, Councillor S Sheahan was aware that a workshop was being held in March to provide further information. He asked if this could be widened for district councillors to attend, as he believed it would be beneficial to join in the conversations with the parishes. The Chief Executives agreed to take that back to the service and for arrangements to be made to include District Councillors.

At the request of Councillor S Sheahan the Chief Executive agreed to provide further information on the sites being investigated for new build council properties, as well as a progress update on the former sheltered housing scheme sites.

Following the discussion on the call centre statistics for the quarter, the Chief Executive agreed to provide Councillor S Sheahan with further information so he could understand what effected the performance not just for this quarter but for the whole year to provide context.

Councillor D Bigby asked for further information about the neighbourhood plan consultation with parishes to be provided to the Local Plan Committee, as it would help in some important decisions in the near future. This was agreed.

It was moved by Councillor A Bridgen, seconded by Councillor V Richichi and

RESOLVED THAT:

The report be noted.
