

## **APPENDIX 1 – List of draft Objectives**

- 1 - Enable the health and wellbeing of the district's population.
  
- 2 – Ensure the delivery of new homes, including affordable housing, which meet local housing needs including in terms of size, tenure and type.
  
- 3 - Achieve high quality development which is sustainable, which responds positively to local character and which creates safe places to live, work and travel.
  
- 4 - Reduce the need to travel and increase opportunities for cycling, walking and public transport use, including connecting homes, workplaces and facilities and through the delivery of dedicated new infrastructure.
  
- 5 - Support the district's economy, including its rural economy, by providing for a range of employment opportunities which respond to the needs of businesses and local workers.
  
- 6 - Enhance the vitality and viability of the district's town and local centres which have an important role serving our local communities with a particular focus on the regeneration of Coalville.
  
- 7 - Ensure new development mitigates for and adapts to climate change, including reducing vulnerability to flooding, and contributes to reduced net greenhouse gas emissions to support the district becoming carbon neutral by 2050.
  
- 8 - Conserve and enhance the district's built, cultural, industrial and rural heritage and heritage assets.
  
- 9 - Conserve and enhance the district's natural environment, including its biodiversity, geodiversity, water environments and landscape character, notably the National Forest and Charnwood Forest as well as its other valued landscapes.
  
- 10 - Ensure the efficient use of natural resources and brownfield land, control pollution and facilitate the sustainable use and management of minerals and waste.
  
- 11 - Maintain access to services and facilities including jobs, shops, education, sport and recreation, green space, cultural facilities, communication networks and health & social care and ensure that development is supported by the physical and social infrastructure the community needs and that this is brought forward in a co-ordinated and timely way.
