For The Attention of Matthew Pickering

Dear Sir

**Re:- The Three Crowns 25 Market Place Whitwick Leics LE67 5DT**

Further to the licence application dated 19/10/2020 and my subsequent representation dated 09/11/2020, I enclose the following for your consideration and to be presented to the licencing committee:

1. NWLDC completed representation form.
2. Copy of front page of the notification of hearing at 6 pm on Wednesday 28<sup>th</sup> May 2014.  
(89 page document) Only front page enclosed.
3. Appendix 2 from the notification of hearing 28<sup>th</sup> May 2014.
4. This letter dated 09/11/2020.

My representation to the licencing hours under decision are loud and clear.

This establishment has been the cause of continuous anti social behaviour, drunkenness, fighting, noise from rowdy behaviour and very loud music over a long period of time and making life unbearable and frightening.

I have no reason to believe that if the licence is granted with the hours suggested that things will be any different.

In my humble opinion it is the duty of the district council to ensure that residents live in a peaceful and safe environment.

I ask that careful thought and caution is given to the hours that this establishment is allowed to operate with particular emphasis of closing hours particularly at weekends.

Continued/2.....

2/continuation.....

Also I ask that the licensing committee pays attention to when music is played and certainly does not allow any music late evening to be played in the small beer garden rear of the public house and limits access to that garden for drinking and socialising in the late evening.

Obviously the public house has been shut for a considerable time due it being up for sale and now Covid 19 having a major impact.

I will reiterate that I will not put up with what I and others have put up with in the past which resulted in Leicestershire Police having the licensing hours reviewed at the hearing on 28th May 2014.

We will end up with the same outcome unless very careful consideration is given to the granting of the licencing hours.

Under Article 8 of the Human Rights Act 1998 one of the examples of where there could be a breach of article 8 is:

Protection from noise and pollution nuisance.

Also, in my opinion one of the conditions of the application should be operational and working CCTV particularly externally. ( CCTV cameras are already in position externally. However, not known whether CCTV is operational).

If you have any queries please do not hesitate to contact me.

Yours Faithfully,
