To The Licencing Committee

Re: - The Three Crowns Public House, 25 Market Place, Whitwick

Please accept this letter as my representation over the licence at The Three Crowns Public House, 25 Market Place, Whitwick.

I have been subject to intolerable behaviour from this establishment for well over two years now and despite warnings from relevant associated bodies, this public house seems unable to keep its house in order.

The situation is intolerable and unbearable as I (and local residents) are subject to anti-social behaviour, shouting, yelling, extremely loud music, fighting (inside & outside the public house) prompting on many occasions police response and unless something is done then the situation will escalate out of control.

Quite simply, I am at the whim and wish of this public house as to whether I will sleep or not sleep and whether I will be subject to such anti-social behaviour that life particularly at weekends is unbearable and frightening.

You cannot turn a local pub in a residential area into a night club / night spot and the relevant bodies involved have a 'duty of care to me and others to protect us from troublesome, anti-social behaviour that has become the norm. Posters displayed in the pub windows advertise Saturday late night evening events as 'Whitwick Rocks' ~ Enough said I feel.

I have dates, letters of reported incidents from Leicestershire Police to support my representation and I am prepared to attend the committee meeting when the licence is reviewed to make my representation, if required.

Quite simply, enough is enough and the running of this pub is not in keeping with the community and in fact I believe that those running this establishment do not care at all about the effect on the local community.

My life at weekends in particular has and will continue to be 'hell on earth' unless those with the powers to change things acts forcibly and with immediate effect.

I would be pleased to receive confirmation that this letter has been received before the cut-off date for representation of 9th May 2014 and this letter will be delivered by hand to North West Leicestershire District Council on May 7th 2014.

I look forward to hearing from you.

Yours Faithfully,
