LICENSING ACT 2003**

REPRESENTATION FORM

Your name/organisation name/name of body you represent	Paul Whyman
Organisation name/name of body you represent (if appropriate)	N/A
Your Postal address	
Name of the premises you are making a representation about	Three Crowns Hotel
Address of the premises you are making a representation about	25 Market Place, Whitwick, Coalville

What are you making a representation about?
Please indicate which part of the licence/certificate application you are making a representation about (i.e. Terminal hours, and music and dancing on Friday and Saturday night)

Your representation must relate to one of the four Licensing Objectives

Licensing Objective	<i>Please provide full details of your concerns regarding the application and include any evidence you may have in support of it. Please use separate sheets if necessary</i>
To prevent crime and disorder	
Public safety	
To prevent public nuisance	<p>1) <u>1 August 2013</u></p> <p>Once again last night the noise emanating from persons leaving the 3 Crowns between midnight and 1:00 a.m. was horrendous. Surely the manager must have some duty to ensure that his clients keep quiet since he is the one providing them with the alcohol.</p> <p>Can you confirm what, if anything, that the council is doing to curb this noise and all the other problems listed in previous e-mails.</p> <p>2) <u>27 August 2013</u></p> <p>Friday/Saturday 23rd /24th August relatively low noise levels.</p> <p>Saturday/Sunday 24th/25th August very noisy between 1:15 a.m. and 2:00 am with people leaving the 3 Crowns</p>

Monday 26th the pub held a beer festival with outside bar and B-B-Q. Very noisy with music being played outside via speaker around 4:00 p.m.

Cannot confirm if this was the speaker that they had supposedly disconnected or another one. (if they say the speaker has been disconnected why don't they remove it ?)

Noise levels relatively low through the rest of the evening and music had ceased. Only noise was from drinkers in the beer garden.

I also note that apart from the Bunting attached the railings outside the 3 Crowns a new advertising sign has been erected against the railings. As this is only leaning against the railings, I suppose technically they have not attached it to the railings. Tuesday 26th August - several empty plastic beer glasses littering the street and pathways

3) 8-9 March 2014

Once again have to contact you regarding the noise from the above establishment. It was hoped that after several weeks of relative quiet the noise has kicked off again. Two weeks ago our neighbour was forced to contact the police over the noise and this weekend (Saturday night) my wife telephoned the police over the row which persisted from about 11 :30 p.m. to 1 :30 a.m.

The police contacted us on Sunday to say they would visit us to discuss the problem. It would appear that the pub has still not listened to yourselves regarding noise

4) 12-13 April 2014

Once again we had to resort to calling the police on Saturday night /Sunday morning as the racket went on from 12 midnight until 1:30 a.m. This was then followed by drunken and shouting in the street until about 2:30 a.m. No doubt you will be hearing from my neighbour [REDACTED], who also called the police

5) 28 April 2014

For record purposes we would like you to be aware that even though the above licensee is under review we were still treated to a session of shouting and screaming from the above establishment from approximately 11:30 pm Friday 25th April until 1:50 am Saturday 26th April.
