

**NORTH WEST LEICESTERSHIRE DISTRICT COUNCIL
LICENSING ACT 2003**

REPRESENTATION FORM

Your name/organisation name/name of body you represent	[REDACTED]
Organisation name/name of body you represent (if appropriate)	
Your Postal address	[REDACTED]
Name of the premises you are making a representation about	Ashby Ivanhoe Football Club
Address of the premises you are making a representation about	Lower Packington Road, Ashby de la Zouch LE65 1JE

What are you making a representation about?
Please indicate which part of the licence/certificate application you are making a representation about (i.e. Terminal hours, and music and dancing on Friday and Saturday night)
The Removal of restrictions with regard to the playing of live/amplified/recorded music.
The addition of live music inside and outside of the premises from 12 to 23:00 hours

Your representation must relate to one of the four Licensing Objectives

Licensing Objective	Please provide full details of your concerns regarding the application and include any evidence you may have in support of it. Please use separate sheets if necessary
To prevent crime and disorder	The addition of live and amplified music particularly outside will increase the numbers attending and add to the existing problems cause by the site not being large enough to accommodate the number of people visiting the site already.
Public safety	There are inherent public safety issues attached to the increase in people attending the venue and the lack of space available for them and their vehicles. Parking facilities are virtually non-existent and not sufficient to meet the requirements at present. The entrance is just off a dangerous junction on well used roads.
To prevent public nuisance	The level of noise is already at a disturbing level and causes a noise nuisance. Particularly when played outside through the amplifiers in the Tent they have erected to the front of the building or over the Tannoy system. The level of noise has been such that it reverberates throughout my home preventing sleep and peaceful enjoyment of the house and is detrimental to the whole residential area. The amplified music has regularly gone on until 11pm or after (clearly they have been in breach of the existing Licence). The addition of Live music will only add to the level of noise already existing. Particularly if it is amplified which will be a must with live music. The Covid Restrictions in place this year have brought some peace and respite from the noise and nuisance already caused under the present licence. To extend the licence in the ways and times requested would only serve to add to and increase the problems and nuisance people in the surrounding homes are already being caused.

<p>To protect children from harm</p>	<p>Children's sleep will be further disturbed and lives negatively affected by the level of noise and amplified music on the premises. If the licence is amended as requested. They already have noise pollution / Nuisance, Dangerous parking, Increased numbers of attendees and floodlighting to deal with under the existing licences.</p>
---	--

<p>Please suggest any conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account.</p>	<p>Limit Noise to earlier hours through the week. Prevention of amplified music of any type inside and outside of the building throughout the week. Prevention of amplified music in the tent, over the tannoy and outside the building throughout the weekend. Continuation of the limit on private functions and events to weekends only.</p>

Signed:

Date: 20/12/2020

Capacity: Home owner adjacent to the Premises.

I would request that my Name and Address etc be withheld. (given the proximity of my home to the Premises)

NOT FOR PUBLICATION

Your e-mail address	
Your contact telephone number	

SUPPORTING NOTES

If you do make a representation you will be invited to attend a meeting of the Licensing sub Committee and any subsequent appeal proceeding. If you do not attend, the Committee will consider any representations that you have made.

This form must be returned within the Statutory Period, which is 28 days from the date the notice was displayed on the premises or the date specified in the Public Notice in the newspaper. Please contact the Licensing Section on 01530 454556 if you are in doubt about the date.

They can only relate to the four licensing objectives.

Your representation will be passed to the applicant, to allow them the opportunity of addressing your concerns. Your representations will be published in the report available to the Licensing Sub-Committee, which will be publicly available. Names and addresses will only be withheld from the Sub-Committee report at your request. Email addresses and contact telephone numbers will not be publicly available.

Please return this form when completed along with any additional sheets to:

Subject: EXTERNAL: Ashby Ivanhoe Football Club Licence proposals
Attachments: Representation Form Licencing Act docx (1).docx

Hello,

Please find attached my representation form with regard to the proposed alteration of the licencing at premises of Ashby Ivanhoe Football Club on Lower packington Road, Ashby de la Zouch.

I have a number of concerns with regard to the proposals and the safety and level of disturbance and nuisance caused in the residential area within which the premises sit.

The present licence restrictions have been constantly flouted and the level of noise from the amplified music played outside , in the tent they have erected and over the Tannoy system are a great disturbance preventing the quiet enjoyment of living in my own home and limiting sleep times due to the late night noise nuisance it causes.

I don't think the addition of outdoors and/or amplified music of any type inside and out fits within the residential area this football club has placed itself. And will cause a great deal of disturbance and nuisance to peoples lives and enjoyment of living in their family homes. The premises is predominantly a grass routes football club originally making use of the field as a pitch to provide after and out of school football training. It has grown and expanded to such an extent over the recent years since it moved from the Ivanhoe football pitches that it has in fact outgrown the field it sits on . It has become a full stadium style football pitch complete with stadium seating , floodlit pitches and |Bar. \while having a lack of parking and other facilities to accommodate the numbers visiting, particularly on match days.

They have clearly breached the existing licencing restrictions by playing amplified music outside and over the Tannoy system throughout the day and late at night. Including Erecting a permanent tent outside the premises that is used as part of the premises and includes Amplifiers that music is played through.

Hopefully you will be able to look at the licence and take account of the situation the playing field (Now stadium) sits in and look after the residents of the area who have their families and homes adjacent and surrounding the premises. Further I'm unsure how a live music/event venue will facilitate the grass routes football training and appears to be a commercial move into something other than football.

I attach a copy of my representation and would request you do not publish my name and address due to the proximity of my home to the venue, and in the avoidance of anyone taking issue with my thoughts and targeting me.

Kind Regards
