

Appendix A

Officer observations found a total of 127 bins left out on the street either two days before or after bin day. The locations and figures were as follows:

	<b>24.02.2020</b>	<b>02.03.2020</b>	<b>06.03.2020</b>
<b>Bridge Road</b>	4	4	9
<b>Adam Morris Way</b>	5	4	0
<b>Berrisford St</b>	7	6	13
<b>Margert St</b>	15	15	25
<b>Mantle Lane</b>	2	2	7
<b>Melbourne St</b>	2	5	2

The numbers indicate there is a persistent problem and it is not necessarily always the same properties. Bins left out are often then used as “street bins” which is a greater issue if it is the recycling containers resulting in litter being blown around the street.
