Appendix 8

Our ref: 235/WS/Dovecote Veterinary Hospital
Your ref: 21/00471/PREM

24th August 2021

Dear Sirs

**Re: LICENSE APPLICATION REFERENCE: 21/00471/PREM - SPAR, DELVEN LANE, CASTLE
DONINGTON, DERBY, DE74 2LJ**

We write in relation to the above alcohol license submitted on the 3rd August 2021 for the above premises.

CVS vets (trading at Dovecote Veterinary Hospital) occupy the adjacent premise. We reviewed the application Notice and wish to object to such a licence being granted for the following reasons:

1. We understand the premises is a Library and is registered under use class F1 d. We are of the view that the sale of alcohol within a library is not in the public's best interests and there will be a high risk of public nuisance. Such a license will not be suitable for such a setting especially where minors are likely to attend.
2. In the event the license is granted, we are concerned there will be an influx of intoxicated individuals making use of the surrounding parking and driving vehicles while intoxicated, and therefore causing a risk to public safety, especially to our staff and clients.
3. Individuals will have to park on the Road or pavement to access the library; this will cause a public safety issue.
4. The alcohol licence would increase the number of intoxicated individuals and therefore result in a risk of the hospital being broken into as there are dangerous drugs being stored on site. This is a risk of harm to the public and the cause of public nuisance.

In respect of the above, we are very concerned about the potential grant of the licence and strongly request the application to be reviewed and disregarded.
