QUESTIONS FROM COUNCILLORS

QUESTION FROM COUNCILLOR S SHEAHAN TO COUNCILLOR R BLUNT

“The Administration did not develop a bid for the Levelling Up fund this year. What needs to change in order for a bid to go forward next year?”

RESPONSE FROM COUNCILLOR R BLUNT TO COUNCILLOR S SHEAHAN

“The production of funding bids to government is both expensive and consuming of officer time. The decision not to submit a Levelling Up fund bid for round 2 was tactical, following conversations with prospective bid partners. Discussions have already started with these partners in regard to whether bids should be submitted to round 3.”
