

**NORTH WEST LEICESTERSHIRE DISTRICT COUNCIL  
LICENSING ACT 2003**

**REPRESENTATION FORM**

<b>Your name/organisation name/name of body you represent</b>	Andrew Croxall Ellen Hill
<b>Organisation name/name of body you represent (if appropriate)</b>	
<b>Your Postal address</b>	6, Ashby Road, Moira, DE12 6DJ
<b>Name of the premises you are making a representation about</b>	Eden Bistro
<b>Address of the premises you are making a representation about</b>	1, Ashby Rd. Moira

**What are you making a representation about?**

Please indicate which part of the licence/certificate application you are making a representation about (i.e. Terminal hours, and music and dancing on Friday and Saturday night)

Late hours, loud music day and night, loud people shouting outside and drinking outside at night time, cars turning around in the middle of the road at night.

The Bistro, staff and users of the Bistro have caused our life to be very unpleasant. The staff stare at us and are very intimidating and rude. Users and staff alike have no respect for local residents. You never know what will be happening at the weekends. I am on medication for anxiety and depression and the issues with the Bistro are making it worse; I don't like going out the front of my house because of the issues the bistro has caused making me feel uncomfortable and anxious.

Your representation must relate to one of the four Licensing Objectives

<b>Licensing Objective</b>	<b><i>Please provide full details of your concerns regarding the application and include any evidence you may have in support of it. Please use separate sheets if necessary</i></b>
<b>To prevent crime and disorder</b>	People are outside late at night, drunk, shouting and generally very noisy. This is unfair to the local residents who are trying to sleep; some are elderly and frightened of what is happening. How do we know that these people are not going to damage property, cause an accident on the junction by distracting drivers passing by?
<b>Public safety</b>	Cars and delivery lorries pulling up on to the pavement on Ashby Road. Some of the cars are there for a considerably long time. This makes it very difficult, sometimes impossible and unsafe for people either trying to cross the road or to walk along the footpath. The lorries also obstruct the view for vehicles pulling out of Rawdon Road. They turn round in the road near the island, making it a possibility for an accident. There is a large carpark at the back of the building!?
<b>To prevent public nuisance</b>	Outside speakers have been used and the music has been so loud we could hear it in our house and in our garden which is approximately 100 metres from Eden Bistro. We are unable to enjoy our own home and garden because of the Bistro. The music can go on late into the night and has also been on early Sunday mornings. The people that are visiting the Bistro are very loud at night and so are taxis/ cars that arrive to pick them up. So much so that we are unable to sleep. This type of establishment should be in a town or city, not a residential area in a village. Delivery lorries turn up at the front of the bistro in the early hours

	of the morning and can disturb sleep,
<b>To protect children from harm</b>	

<b>Please suggest any conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account.</b>	<b>No outside speakers. No music/ bands outside. No doors open when there is loud / live music on inside. All vehicles to use the car park at the back of the building.</b>
