QUESTIONS FROM COUNCILLORS

QUESTION FROM COUNCILLOR T EYNON TO COUNCILLOR A WOODMAN

“Has the Coalville mobile NHS Breast Screening service, which formerly used the London Road NWLDC car park, been reinstated?”

RESPONSE FROM COUNCILLOR A WOODMAN TO COUNCILLOR T EYNON

The council has offered the NHS free usage of the London Road car park, as a site for the NHS Mobile Breast Screening unit.

Officers are currently discussing with NHS colleagues when they may want to bring the mobile unit to Coalville and checking to ensure that the site remains suitable for their needs.
