

Proposed double yellow lines at Whatton Road junction

Existing street parking to remain

Proposed priority buildout with associated lining and signing

Give way to oncoming vehicles

Proposed vehicle activated sign to be installed in verge (exact location to be determined)

Priority over oncoming vehicles

Existing lining adjusted to accommodate proposed buildout

Proposed uncontrolled pedestrian dropped crossing

Existing footway widened up to 2m where possible

New pedestrian guardrail to provide protection against drop

Proposed short retaining wall to enable footway widening

Footway to be widened where possible up to junction with A6 bypass

Potential to improve existing street lighting throughout extents of scheme to be explored
