QUESTIONS FROM COUNCILLORS

QUESTION FROM COUNCILLOR J LEGRYS TO COUNCILLOR A WOODMAN

Can the Portfolio Holder please inform me how much is it costing per month, to keep the old council offices since closure, secure, heated/ventilated & continue to enable staff access to items remaining in the building please?

REPOSENSE FROM COUNCILLOR A WOODMAN TO COUNCILLOR J LEGRYS

The Council continues to make low level use of the former Council Offices building such as to accommodate the town CCTV Server equipment. These systems are slowly being disentangled from the building and relocated. Much has now been completed to reduce holding costs. The current cost of retaining this building and the site it sits on is approx. £11k per month.
