About Charnwood Community Fund:
Charnwood Community Lottery is a weekly lottery that directly supports local good causes and community initiatives.
Lotteries are a fun and effective way for causes to raise much-needed funds in these difficult times. By getting more people on board, they don't just raise funds, they also raise awareness.
When you play the Charnwood Community Lottery you know that 60% of your ticket price goes to good causes (more than DOUBLE what the National Lottery gives) AND the money raised is going to good causes that benefit your local community.
Proceeds generated from this page go into a general good cause fund, administered by Charnwood Borough Council, which will be spent on providing vital support to a wide range of local organisations and community initiatives which have a beneficial impact on the local community.
