QUESTIONS FROM COUNCILLORS

QUESTION FROM COUNCILLOR J WINDRAM TO COUNCILLOR A WOODMAN

“Residents on Haslyn Walk are worried that the project to address the parking issues is still outstanding and that another potentially wet winter is going to continue to blight their daily lives.

Can the portfolio holder provide an update and a timeline on the Haslyn Walk improvement project which will when completed help to address the flooding and parking problem along with a particular stretch of road?”

REPOSENSE FROM COUNCILLOR A WOODMAN TO COUNCILLOR J WINDRAM

“Both I and the shadow portfolio holder have been kept updated by officers on this scheme. Having experienced delays initially with procuring suitable contractors for this carpark improvement scheme, which will also alleviate flooding in the area, I understand that we are currently awaiting approval from for Leicestershire County Council Highways department to enable the scheme to commence.

LCC has committed to proving us with a response this week. As soon as the appropriate permissions are in place, residents will be notified and work will start. We are very sorry for the delay.”
