REPRESENTATION FORM

Your name/organisation name/name of body you represent	Jayne Orme
Organisation name/name of body you represent (if appropriate)	
Your Postal address	
Name of the premises you are making a representation about	Borough Street Bar
Address of the premises you are making a representation about	32, Borough Street, Castle Donington, Derby, DE74 2LA

What are you making a representation about?

Please indicate which part of the licence/certificate application you are making a representation about (i.e. Terminal hours, and music and dancing on Friday and Saturday night)

I wish to make a representation about the Variation to the Premises License, specifically the removal of conditions 1. The premises licence holder shall ensure that no customers shall take glasses or open bottles from the premises and 2. There shall be no recorded music, live music, amplified music, speaker or television usage in or outside the premises.

Your representation must relate to one of the four Licensing Objectives

Licensing Objective	<i>Please provide full details of your concerns regarding the application and include any evidence you may have in support of it. Please use separate sheets if necessary</i>
To prevent crime and disorder	
Public safety	
To prevent public nuisance	<p>With regard to the request to be able to play recorded music, it is my understanding that planning permission was granted for a 'micropub' and it is my belief that it was stated that planning permission would not have been granted for a 'pub'. According to the Micropub Association's definition a micropub is a "small freehouse which listens to its customers, mainly serves cask ales, promotes conversation, shuns all forms of electronic entertainment..." Thus, it would seem that recorded music should not be played and the request to be able to play recorded music, should be refused.</p> <p>With regard to the request to allow the micropub's clientele to take drinks, in open bottles and glasses, outside onto Borough Street. The rationale for the restriction, behind the imposing of a condition on the license preventing open bottles and glasses being taken from the premises, still holds true today and, in some way, the request to remove this condition, could be seen as</p>

	contemptuous of the original decision making process undertaken by members.
To protect children from harm	

Please suggest any conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account.	Keep the existing conditions exactly as they are.
