This report summarises the key findings from our 2012/13 audit of North West Leicestershire District Council (the Authority). Section one **Headlines**

Although this letter is addressed to the Members of the Authority, it is also intended to communicate these issues to key external stakeholders, including members of the public.

Our audit covers the audit of the Authority's 2012/13 financial statements and the 2012/13 VFM conclusion.

VFM conclusion	We issued an unqualified value for money (VFM) conclusion for 2012/13 on 30 September 2013.			
	This means we are satisfied that you have proper arrangements for securing financial resilience and challenging how you secure economy, efficiency and effectiveness.			
	To arrive at our conclusion we looked at your financial governance, financial planning and financial control processes, as well as how you are prioritising resources and improving efficiency and productivity.			
VFM risk areas	Our initial risk assessment took into account the Authority's key business risks which are relevant to our VFM conclusion. We were satisfied that sufficient work was being carried out by the Authority to mitigate the audit risks for our VFM conclusion. We concluded that we did not need to carry out any specific additional work ourselves.			
Audit opinion	We issued an unqualified opinion on your financial statements on 30 September 2013. This means that we believe the financial statements give a true and fair view of the financial position of the Authority and of its expenditure and income for the year.			
Financial statements audit	We reported the significant matters arising from the financial statements audit to the Audit and Governance Committee in our Report to those Charged with Governance. We found no significant audit differences to report to the Committee. Overall we found that the quality of the accounts and supporting working papers was good.			
Annual Governance Statement	We reviewed your Annual Governance Statement and concluded that it was consistent with our understanding of your governance arrangements.			

All the issues in this letter have been previously reported. The detailed findings are contained in the reports we have listed in Appendix 1.

Section one Headlines (continued)

Whole of Government Accounts	We carried out the mandated audit work on the consolidation pack which the Authority prepared to support the production of Whole of Government Accounts by HM Treasury. We did not need to report to the National Audit Office any inconsistencies between the Authority's audited accounts and the submitted pack.
Certificate	We issued our certificate on 30 September 2013. The certificate confirms that we have concluded the audit for 2012/13 in accordance with the requirements of the <i>Audit Commission Act 1998</i> and the Audit Commission's <i>Code of Audit Practice</i> .
Audit fee	Our fee for 2012/13 was £66,462, excluding VAT. Further detail is contained in Appendix 2.

External audit

Appendices

Our final fee for the 2012/13 audit of the Authority was £66,462. The Audit Commission's scale fee for the 2011/12 audit was £110,770. The 2012/13 fee reflects the reductions that the Audit Commission has been able to make to its scale fees following the market testing of audit services.

The final fee is the same as the planned fee and we have not needed to submit any additional fee requests to the Audit Commission.

Certification of grants and returns

Appendix 2: Audit fees

Our grants work is still ongoing and the fee will be confirmed through our report on the *Certification of Grants and Returns* 2012/13 which we are due to issue in January 2014.

Additional audit work

In addition to the above management requested that we audit a grant return to the Homes and Communities Agency in regard to your receipt of Decent Homes Backlog grant. The fee for this work was £1,600. Due to the nature of this work it caused no threats to our independence as auditors.
