

Local Plan Committee – Wednesday, 19 November 2025

PUBLIC QUESTION AND ANSWER SESSION

QUESTION FROM MS M BAXTER

I would like to put forward a question regarding proposed building off Torrington Avenue/Hall lane will the proposed houses be separate to current housing regarding sewage? We have problems now with smell/ blockages from the drains?

RESPONSE FROM THE CHAIR OF THE LOCAL PLAN COMMITTEE

The exact details of how any development will be served in respect of drainage of sewage will be addressed at the planning application stage.
