## 2.0 FORMER TENANT RENT ARREARS

2.1 The amounts written off under delegated powers, in accordance with the thresholds outlined in the write off policy are as follows: 36 cases under £1,000 which amount to £8802.71. Of these, nine are uneconomical to pursue (£261.55), seven are where no trace has been found for their current address (£3378.44) and three are where the tenant is deceased and there is no estate (£668.05). There were 17 cases which qualified for a bereavement allowance following the death of the tenant (£4494.67).

2.2 There is one case over £1,000 for £2,892.61 which was due to a Debt Relief Order.

2.3 There are no Former Tenancy Arrears over £10,000 for which we seek approval.

## 3.0 CURRENT TENANT RENT ARREARS

3.1 There are currently no current tenant rent arrears for which we seek approval for write-off. There were no current rent arrears written off under delegated powers.

## 4.0 COUNCIL TAX

4.1 There are currently no council tax debts over £10,000 for which Cabinet's approval for write off is sought.

4.2 The amounts written off under delegated powers, in accordance with the thresholds outlined in the write off policy, are as follows: 14 cases under £100 which amount to £496.31. Of these, five have absconded (£297.97), three are insolvent (£67.00) and six are uneconomical to collect (£131.34). There are 53 cases between £100 and £1,000, which amount to £21,327.86. Of these, one is deceased with no assets (£606.46), one has severe hardship (765.79), 37 have absconded (£13,828.03), 11 are insolvent (£4,342.87) and three are uneconomical to collect (£1,784.71). There are 11 cases between £1,000 and £10,000 which amount to £19,643.67. Of these, eight have absconded (£12,584.23), one is insolvent (£1,052.83), and two are uneconomical to collect (£6,006.61).

4.3 The full list of reasons for writing off debt includes:

- Bankruptcy or a Debt Relief Order is in place
- Deceased – No assets in the estate.
- Debtor Absconded / No Trace
- Company in liquidation/dissolved or ceased trading with no assets
- Severe Hardship and/or Serious health Issues
- Statute barred i.e. we cannot legally pursue the debt as there has been six years since the debt fell due and no action has been taken to collect the debt.
- Uneconomical to collect i.e. it is not financially viable to take further action for e.g. due to the low level of the debt, they have gone abroad etc.

4.4 Writing off debts is only considered where all appropriate recovery and enforcement measures have been taken, or, where the council are legally prohibited from pursuing the debt.

4.5 Each year the council produces a recovery timetable which details the dates on which the statutory Reminders, Final Notices and Summonses are to be despatched. The letters issued are designed to maximise collection by prompting tax payers to pay their missed instalments in a timely manner, thereby avoiding further enforcement action taking place. A leaflet is included with the reminders to explain what happens next should payment not be made.

4.6 For all outstanding debt, the council takes the recovery action outlined in the bullet points below:

- If payment is not received by the instalment due date shown on the bill, a reminder notice is issued.
- If payment is received within seven days the tax payer may continue with their original instalment plan. If they default again within the year, then one further reminder notice is issued. If they do not pay, the following steps are taken.
- If payment is not received by the date on the reminder notice, a court Summons is issued. The Summons advises them of the date and time that the Council will attend a Magistrates Court hearing to apply for the award of a Liability Order against them.
- Once a Liability Order is obtained, the Council has a number of enforcement options open to them in order to secure payment of the debt.

#### 4.7 Liability Order Action

Once a Liability Order has been obtained each debt is looked at and a decision is made as to the most appropriate course of action to take from the list of available options below. It is only after all of these have been considered and/or pursued that the debt is put forward for write off.

1. Apply to the debtor's employer for an Attachment of Earnings.
2. Apply to the DWP for a deduction from the debtor's benefits
3. Instruct an external enforcement company (bailiffs) to collect the debt on the council's behalf.
4. If the bailiff company are unsuccessful, the Council could commence committal proceedings against the debtor.
5. If the debtor owns their own home a Charging Order could be made against the property.
6. If the debt is over £750, bankruptcy proceedings could be commenced against the debtor.

When considering the final three options on the above list, the Council must always be mindful of the individual circumstances of the debtor and the financial impact on the Council of pursuing each option. Additional costs will be incurred when utilising any of these options.

#### 5.0 NON DOMESTIC RATES (NNDR)

5.1 There are currently three Non Domestic Rate debts over £10,000 which amount to £48,500.60 for which Cabinet's approval for write off is sought. All three of the cases have gone into liquidation (£48,500.60), therefore we cannot legally take any further recovery action against these debts.

5.2 The amounts written off under delegated powers in accordance with the policy thresholds are as follows: There is one case under £100 which amounts to £8.00 that is uneconomical to collect. There is one case between £100 and £1,000 which amounts to £167.71 that is insolvent. There are 10 cases between £1,000 and £10,000 which amount to £27,377.99 of which, three have absconded (£13,300.84), five cases are insolvent (£13,073.56) and one is uneconomical to collect (£1,003.59).

5.3 As with the recovery of Council Tax, for Business Rates, writing off debt is only ever considered as a last resort. Often companies, sole traders or partnerships become insolvent and the Council is prohibited from taking any further action as all of their outstanding debts are included within the Administration, Liquidation or personal bankruptcy.

5.4 The Council follows the same recovery process for Business Rates as for Council Tax. However, once the Council has obtained a Liability Order there are only a limited number of enforcement actions that can legally be pursued. In most cases, where a payment arrangement or contact cannot be made, the Council refers the case to external bailiffs. If they are unsuccessful, the Council then has three further options to consider before putting the debt for write off. These options are:

- Committal (For sole traders and partnerships only)
- Security for Unpaid Rate (this is the equivalent of a Charging Order on a property but this can only be done with the ratepayers agreement)

- Insolvency Proceedings

## **6.0 SUNDRY DEBTORS (INCLUDES HOUSING BENEFIT OVERPAYMENTS)**

- 6.1 There are currently no sundry debtor cases over £10,000 for which Cabinet's approval for write off is sought.
- 6.2 The amounts written off under delegated power in accordance with the policy thresholds are as follows: Seven cases under £100 which amount to £184.22. Of these, one is deceased with no assets (£63.77) and six are uneconomical to collect (£120.45). There are 15 cases between £100 and £1,000 which amount to £5,812.25. Of these, two have absconded (£982.51), nine are deceased with no assets (£3,516.76) and four are insolvent (£1,312.98). There is one case between £1000 and £10,000 which amounts to £6,768.65 and is insolvent.
- 6.3 For all outstanding benefit overpayment debt, the council takes the recovery action outlined in the bullet points below:
- An invoice is issued giving 14 days to make payment, or to contact the council.
  - If payment is not received a first Reminder is issued, followed by a second reminder two to three weeks later.
  - If payment is not received a 'CIS' (DWP database) check is carried out to assess if an attachment of benefit is appropriate. If benefit cannot be attached the account is sent to an external bailiffs collection team with no cost to the Council. However, they have no powers to enforce the debt at this stage only to collect it.
  - If the cases are returned, each case is checked and a decision is made as to whether it is appropriate to start legal proceedings in the County Court.
  - If judgement is obtained in the County Court, the following enforcement options are available to consider:-
    1. Attachments of Earnings (deduction of customer's wages, at source by employer)
    2. Warrants Control (the use of County Court Bailiff, or High Court Sheriff)
    3. Third Party Debt Orders (Utilises the customer's bank account to extract payment)
    4. Charging Order (the debt is secured on the customer's house)
    5. Insolvency (petition for bankruptcy)
